Questions Received:

Q. What is the number of new claims projected in the actuarial model for the contract period?

A. A valuation is currently being performed and it won't be completed until August. However, the state anticipates a projection of 100-150 new approved claims and 270-400 individuals receiving benefits per year.

Q. What is the number of active claims projected in the actuarial model for the contract period?

A. See answer to the first question.
